WICK'S WEEKLY

A very disappointing display of football was put up by Kenwick last Sunday when they were completely outclassed by the strong Maddington side and went down by sixteen goals.

Maddington were very direct in their play when they went into the forward line and made use of the many scoring opportunities that came their way. Kenwick, on the other hand, were indirect in their play and this was the difference between the two sides.

A big effort will be required by all players during the second round if we are to make it into the four. No doubt all players realise this, and will give our supporters a better showing during this coming round of fixtures.

Best players in last week's game were hard to find, however those who tried hard were Graeme Nicholas, Paul Roberts and Pat Dalton.

In the Reserves game Maddington got a handy break in the first quarter and that is what won them the game.

To the Royals credit they fought back strongly in the second half and got to within eight points of Maddington late in the last quarter, but eventually went down by three goals.

The Reserves side is just beginning to settle down and with the return of players from the injured list it is going to take a strong side to beat the Royals.

Best players in last week's game were Darryl Ogg, Noel Bolton in his first game for the year and Wayne Ogg.

Today we travel to Mandurah and a win in both grades is a must. A loss by the League today will make their chances of finishing in the four almost impossible. Bear this in mind fella's and bring home a double.

Mention must be made of our Under 16's first win of the season last week against the undefeated Armadale side.

P.R.O.

SEASIDERS SPOTLIGHT

Congratulations to the A RESERVE on their 13-goal victory over Kalamunda on Sunday last. Four quarters of determined, courageous football brought an overdue four points to Mandurah.

Coach Rob Rundell was back to top form in the centre and led his team of youngsters superbly. Rob unfortunately is out for the next two weeks with a fractured bone in his ankle and will be missed this week against second side Kenwick.

Others to stand out amongst eighteen good players: Brian McKay, a tremendous roving effort with handy goals, Mal Hicks, usual strong game in defence. Mike Scott, second game for Sea-Siders and in line for A-Grade after a sound performance on the wing.

The determination shown points to several more A-Reserve victories in the second round.

The A-Grade suffered their ninth straight defeat and coach Don Rintoul will be looking for a change of attitude both at training and during this week's game amongst the name players in the side. Several of the young A-Reserve side are showing what's needed to win games and their form points to replacements in the A-Grade.

Triers throughout a poor exhibition on Sunday were: Paul Woollorton, Murray Jones, Don Rintoul, Brad Trevenen and Paul Fitzgerald.

"THE BULLS ROAR"

In a very lack lustre game last Sunday, the Bulls proved far too strong for Kenwick.

The Bulls won in every position on the ground and it was good to see a number of players run back into form. Although Kenwick offered only token resistance, it will have proved a good confidence builder for this Sunday's game against Kelmscott.

In a very good team performance players to stand out were:

Dennis Cometti, Graham Brice, Colin Marshall, Paul Mountain and Colin Tincknell.

The Reserves continued on their winning wave and won what proved to be a very hard game. It appeared that they were coasting at various stages, and this complacency will have to go, if they are to win a Premiership. No team can afford to lose concentration particularly against good sides and this lapse nearly cost us the game in the last quarter on Sunday.

Best players: Mick O'Halloran, Dave Walker, Gus Reynolds, P. Johnson, G. Rothnive and Wade Smith.

Congratulations are extended to Jim Di Carlo who was voted best player afield in the Association Game and also Terry Richardson who won an award in the Reserves Game.

BULLDOGS BULLETIN

Last Sunday our League side was soundly beaten by the very impressive Kwinana.

The first quarter was very exciting with scores level at the first change however from this point on Kwinana ran away from us. Even though our number of injuries grows, we must play better today to enable us to beat Maddington.

Players to do well were Peter Edwards, Killer Hinderbrandt (his courage should be an example to his teammates), Eric Buckingham and Alec Creyk.

The Reserves continued on their winning way with a 21 point victory. The game was of a good standard throughout and our good players answered every challenge from their bigger opponents.

Best Players: Cyril Winmar, Kerry Pearce and Ian Clarke.

We are pleased to advise that our Coach, Ray Lawrence, has accepted the position of vice-president of the club, owing to the vacancy left by Graeme Smith.

The Cabaret held by the Building Fund Committee on June 7th was a tremendous success. A great time was had by everyone who attended and we thank you all for your wonderful support.

Our best wishes to Mrs. Creyk for a speedy recovery from her recent mishap.

Members and supporters are reminded that Bingo is held by the club every Wednesday night at 8 p.m. The venue is Dunne Park and we look forward to seeing you and your friends there.

Today we play Maddington at home, let's make it our fourth double Dunne Park.

We welcome Maddington Football Club to our new clubrooms and invite you all to stay for a social drink after the game.

"IN THE LIONS LAIR"

Last week saw the third successive defeat to Thornlie, this time at the hands of Gosnells. In each of the last three games the Lions have worked their way into a winning position, but just fail to go on with it in the last quarter.

The team work of the players and improvement in their kicking was noticeable and overall the determination of the players was good to see.

ALL players must attend BOTH training sessions where possible if we are to get back into the four.

BEST PLAYERS LEAGUE — Fred Seiner, Graham Bancroft, Mark Murphy (first league game — good effort) and Ken Tylor.

The Reserves are having similar problems and the loss last week to Gosnells was a big blow to their hopes for a place in the final four. Coach J.T. must be given total co-operation by all players from now on and we must win the next four games and win them well.

BEST PLAYERS RESERVES — Cliff Williamson, Harry Miles, Darryl Elan, Paul Deters.

Today the Lions meet Canning, at Canning and it is imperative to Thornlie's future in 1975 for the Lions to win both games and win them well. So come on you Lions, let's roar today.

"KEEP ON WRINKLING"

KALAMUNDA KOUGARS

Congratulations are in order for a mighty team effort against Mandurah. Everyone contributed to winning the game. Even the gentle sex started to wear the Club tee-shirts after the game. Somehow, they look better on them than us.

SNAPSHOTS

Captain's game from Trevor Netherway, determination and cool disposal when the chips were down.

Graham Watson's five goals and general all round roving exhibition, even had his better half excited.

Teacher Brown looked like he directing his classroom at centre bounds with cool precise play.

Twinkle Toes Leaver—four goals and solid ruck and forward play.

As mentioned earlier a **TEAM EFFORT** worthy of better things to come. Well done Kougars.

REMEMBER THE BALL — BOOK NOW OR BE DISAPPOINTED.

Welcome to Armadale, we look forward to you joining us at Wattle Grove Hall after the game.

Congratulations to the newly-weds Mr. and Mrs. Neville Blackburn from all at Kalamunda.

DEMONS DIGEST 'COME ALIVE - IN 75!'

This week, we enter into the first game of the second round, by travelling to Forrestfield to play the Kalamunda F.C. Reflecting on the first round, the Reserves took far too long to settle down to aggressive team football, and the league side, after a promising start, did not go on with the job. Our Under 18's are still undefeated, and our best bet for a flag this year.

Against Canning last week, the Reserves put in a very good effort, their best this year, but left it a little too late to get up and win. Trevor Perkins, the captain, playing his last game for the Demons before moving away to take up his new job, played well, along with Colin Guelfi, the Marshall, Garry Turner, and 'Shorty' Knesevich. Thanks 'Perky' for everything, there'll always be a welcome awaiting you in our club.

The League side once again proved to be burners in the first half, fizzling out in the second half, succumbing to hard physical pressure from the Tigers. However, the Demons provided the man of the match in Johnny 'mac' McHenry, with his fine performance at full back. Not far behind with their efforts were Peter Smith, and John 'Tanglefoot' Connell.

The Under 18's continued their unbeaten run last week, with a convincing win over Kenwick. In fact, all the young Demon teams are going well, most of them in the box seat. Congratulations to you all, you can prove to be the finest nursery to a senior club in the league.

Unlike the Under 18's the Reserves and League sides are not endowed with big strong players to provide or withstand continual buffeting. So, if we can't go through them, go round them with fast play-on football. Just remember the words of the great Muhammed Ali, "float like a butterfly, sting like a bee!" When one considers the size of two of his victims, Sonny Liston and George Foreman, they're damned good tactics, to my mind anyway.

PEEGEE

TIGER RAG

Canning registered their second double of the season when they completely overpowered both the Armadale sides.

The League, after coming from behind, won the game in fine fashion. They fought on all day and in the end proved far too strong for Armadale. Each player combined well and for the first time this season played as a complete team.

Brain Mangini was a clear winner all day with a strong play-on type of football and Craig Nock completely out-classed his rival and gave an outstanding performance on the half forward flank.

Alan Wheelock put in his best game of the season and was probably the best man on the ground. John Vlahov played strongly on the wing and Grahame McGeedy also played well to kick six goals.

Coach Polsen gave a solid display on the ball and gave the necessary drive in the last quarter to enable victory. Other good players were Billy Archibald, Don Jupp, John Hurley and Grahame Dugmore.

The Reserves won fairly comfortably also in a hard-fought game. The side seems to be slowly improving and like the League should win a load of games in the second round.

Good players were Grant Symonds, who appears to be improving each week, the Hunter brothers, Gordon and Ron and Peter Manning who ran on all day.

Ray Hill and Peter Giles combined well on the half back line, Alan and Peter Ensl played strongly on the ball and Kelvin McKenny, Allan Barnes and Daryl Mann also played well.

SOCIALLY SPEAKING

I keep on mentioning the Ball and for good reason: it is the main function of the season. So hurry and purchase your tickets.

The Committee, players and supporters welcome Marty McDonnell to the Canning Football Club as Club Patron.

Today's game will see Canning turn the tables on Thornlie by winning both games and start the new round off in flying colours.

THE KNIGHTS' NOTES

Another great win last week sees our League side poised to take top spot for the first time since joining the South-Suburban Murray. Once again our players showed terrific potential as a goal scoring machine with a nine goal second quarter. Our half forward flankers and rovers were in devastating form and between them kicked twenty one goals.

BEST PLAYERS

NOEL VANHEYTHUYSEN — unbelievably brilliant.

JOHN LANGE — back to his best.

RON DE BOER — another hard hitting game.

BILL HAZELL — never stops.

MURRAY LLOYD, TERRY LLOYD, RON CAPORN — uncanny goal sense.

The Reserves were again unfortunately beaten but theirs was an improved display, especially after half-time. This performance added confidence to go on to bigger and better things. Their best players were Mike McKenzie, Ted Riseberry and Joe Travinski.

PLAYERS OF THE WEEK

This week two players, Murray and Terry Lloyd, are being bracketed as our feature players. Murray is now in his second season with the club and is coach of our Reserves side. He has an uncanny ability to kick goals and, for a player of his size, marks brilliantly around the forward line. Tremendous acceleration is one of Murray's assets and the sight of his legs moving like pistons as he breaks clear of the pack and heads toward goal is one to gladden the heart of any Kwinana supporter. You can always tell if Murray's kicks are heading towards goal. If they wobble like a drunken sailor it will be a major for sure.

Terry has been with the club a little longer and has played in a variety of positions. This year has seen him settle down as a member of probably the best half forward line in the league. Like Murray he is also a great kick for goal especially when on the run. This year Terry is also players' representative and is carry out this job in a very responsible manner.

SOCIAL NOTES

1. Don't forget the July 4th Independence Day Dance. Tickets will be available shortly.

2. A Ladeis' Night will be arranged shortly. The League Players donated their bonus from the Maddington game towards this and the committee will also contribute.

Today we play Gosnells and a win is an absolute must. I believe the players will know by now that there is a special reason for this and they will give this game everything they've got.

QUOTE OF THE WEEK: Inspiration is 99% perspiration — so come on Knights — let's work.

KING ARTHUR

THE HAWKS WILL STRIVE IN '75

Anybody who spent their 60c at Gosnells last Sunday certainly got their money's worth. It was an example of what the games about.

Firstly the Seconds.

An example of what determination is with Thornlie getting their nose just in front at one stage. It was neck and neck all day. With the experience of several of the "older" players showing through in the last quarter, the Hawks steadied and ran out winners in a hard fought encounter.

Best Players: Big "Hands" Tunna, Merv Jenyns, Dick Campbell and Lew Millstead. A special mention to Terry Webb, a player lacking in height, was seldom beaten and showed courage in running all day.

The League game was a thriller with Thornlie dominating the first term, particularly in the ruck, things were not going too well for Gosnells.

Inaccuracy which persisted for most of the day, combined with what appeared to be a lack of motivation and interest, allowed Thornlie to finish the quarter 3 goals up. More dedication and application enabled the Hawks to improve their position to be 9 points down at three quarter time, with the promise of better things to come.

What a quarter. Thornlie in front, Gosnells in front, and so on it went. Finger nails were bitten down to the elbows. Gosnells showed great spirit to finish in front. Both players and supporters are to be congratulated in the manner in which they played and encouraged the game respectively.

Enough laurels. What about this week? Are we good enough? Of course we are! Dedication and application will win this game.

Remember, three in a row is the club's demand and the players offer. One down, two to go.

U/18's are to be congratulated on their last two wins. It shows what good attendances at training and the presence of a couple of new players will do. Best Players: Steven King, Boris Bilch, Murray James, Steve McShane Ferguson and Bob Soutar.

SOCIAL NOTES

Congratulations to all concerned with the Singapore trip. A great success for a first venture. Keep in mind next Friday night — Supporters Club Social Evening at the Social Rooms. Also Mrs. Lina Minson, one year younger yesterday.

Finally a word of warning to the players, our trainers are not paid servants, they are only here to help you!

P.S. Just an afterthought from last Sunday's game. Somebody had to crack under the pressure, pity it was the umpire.
